GEYER'S CHIEF EXECUTIVE AND STAFF

Mr. Cecil Rice, our first and only principal here at Ben F. Geyer Junior High School, has been here since 1959. He was born in Indiana and attended Indiana State University, Indiana University, Indiana Central College, and The University of Cincinnati; therefore, he is well qualified to guide and assist us.

Mr. Max Lake attended Indiana University, Purdue University, and Ball State University. He came to Geyer in 1959 as a teacher. Later he became our staff assistant and is now our assistant principal.

We the students of Ben F. Geyer Junior High School promise to uphold and follow the examples set by Mr. Cecil Rice, our principal, Mr. Max Lake, our assistant principal, and their staff. We will in the future be very thankful to them for their assistance and help through our most difficult years.

TALENTED INSTRU- MENTALISTS LEARN THROUGH PRACTICE AND PERFORM- ANCE

The Concert Band at right is composed of forty eighth and ninth graders. They are under the direction of Mrs. Edra Smiley, who directs all instrumental groups at Geyer. Programs presented are the Winter Concert, the Spring Concert, and a concert for students at Abbett. They also add pep and enthusiasm by playing at Geyer's eighth grade basketball games.

Seventh, eighth, and ninth graders make up the orchestra of forty students. The programs they give include the Winter and Spring Concerts, the Christmas Program, and performances at elementary schools. Only the strings

played under the direction of a guest conductor, Mr. Samuel Applebaum, in an all city program at Snider High School.

The Cadet Band below includes twenty-eight seventh graders, directed by Mrs. Edra Smiley. They played in the

Spring Concert on May 14. They look forward to playing in Geyer's Orchestra and Concert Band next year.

The Concert Choir, directed by Mrs. Grace Drummond, is composed of sixty eighth and ninth graders. They performed for the PTA in February, sang at Hillcrest and

South Calhoun schools, and also at the Winter and Spring Concerts.

Working on fundamentals in stagecraft and practicing skits and short plays keep the Drama Club busy. They participated in the Holiday Program and produced a

short play "The Voice from Nowhere," all under the direction of Mrs. Marvoline Schlecht.

Seventh graders, numbering forty, form the Cadet Choir. They sang at the Spring Concert. Their director was Mrs. Grace Drummond.

Plan is what the seven members of our Annualette Staff do. Under the direction of Mrs. Joy Helm, they produce an

annualette, the Blazer, which tells the story of the year at Geyer for students and parents to enjoy.

PUBLICATIONS DEPARTMENT CONVEYS IDEAS WITH THE PRINTED WORD

Informing is the job of the Newspaper Staff as they publish the monthly Geyser. Mrs. Helen Solero, Mrs. Kath-

ryn Tierney, and Mr. Walter Sassmanshausen are the supervisors.

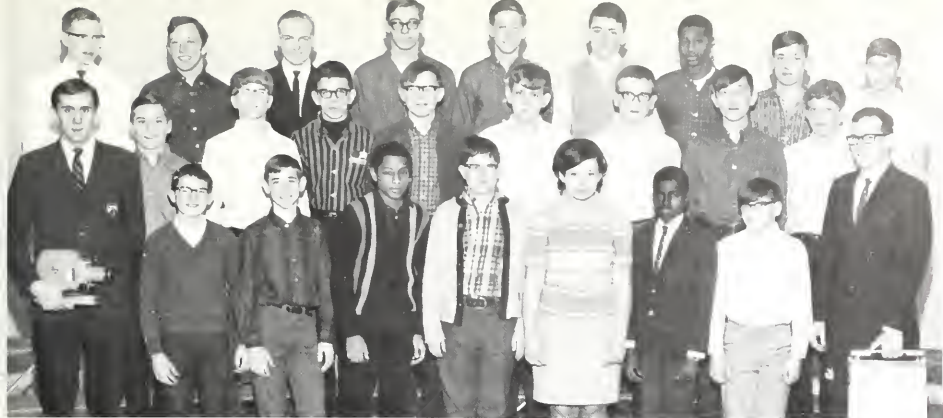

Geyer is the main subject of talk for the Student Council as they plan projects to improve our school. Mr. Max Lake is their supervisor.

Preparing our school dances is the main goal of the Hop Committee. Miss Nancy Miller and Mr. Homer Buzzard sponsor the group.

The twenty library assistants, the Library Science Club keep busy checking in and out and shelving books. They get their library training from Mr. Robert Lewandowski.

Under the direction of Mr. William Sauder and Mr. Milton Eley, the students of the Projectionists Club learn to run the audio-visual equipment to serve our school.

The Booster Club members are present at all of the Geyer basketball games. They help by selling candy

and doing any other required work connected with the game. Mrs. Nancy Ellison is the sponsor.

The duty of the Service Club members is to help Geyer's teachers during their study hall and seventh periods. Mr. Max Lake is the sponsor.

The Typing Club is offered to those students who want to do more than just peck around on their typewriters. Mrs. Marie Spaheiv is the very qualified sponsor.

LEARN A LITTLE MORE . . . BE A LITTLE BRIGHTER

Aprender is what they do in the Spanish Club. They learn a little more. Mr. Jack Tourin is the director.

----- (Codes) are the main things Mr. Lonnie Adams and Mr. Glenn Cunningham strive to teach the boys of the Communications Club.

Extra scientific knowledge is obtained by those who join the Science Club. The members work with chemicals and conduct experiments under the supervision of the sponsor Mrs. Julia Dunn.

Mrs. Virginia Myers teaches the five members of the Girls Clothing Club, who are interested in learning more, the detailed techniques of sewing.

Learning the use of the microphone is one of the skills that Mrs. Don-Ette Harold teaches the girls of the Speech Club.

$6-2+8-4-3+2-2$ = the number of members in the Math Club. If this problem seems impossible to work, Mr. Richard Miller, sponsor of the Math Club is willing to help you.

The Boys' Cooking Club meets every week to learn the fundamentals of cooking under the supervision of Mrs. Juleen Clements.

We are proud of our victorious Football Team who was runner-up in the city championship. Their coach was Mr. Bill Twitchell.

Debbie Barney is the Sertoma Award winner for excellence in history.

EVENTS AT GEYER ARE VARIED

How did they say to do a handspring?

Under the leadership of Miss Elizabeth Fielder, the Girls' Basketball Team plays games with other junior high schools.

Mrs. Connie Kammeyer leads the group of girls who enjoy participating in the advanced skills of the Gymnastics Club.

Snow fun at Geyer on Saturday is enjoyed by Katie Simerman, Gary Everett, and Cheri Saum.

CHEERLEADERS LEAD LETTERMEN ON

The Varsity Cheerleaders cheer the Blazers on to victories and promote good sportsmanship and school spirit. Mrs. Donna Green and Mrs. Connie Kammeyer are their sponsors.

The Lettermens' Club consists of boys who have earned letters by competing in various sports here at Geyer. They earn these by playing in track, football, and basketball throughout the year. Mr. Robert Fox and Mr. Bill Twitchell are the sponsors.

The Junior Varsity Cheerleaders lead the eighth grade basketball team on to victory by giving them the confidence they need to beat their opponents.
